Late payment fee

A late payment fee of up to \$9.99 will be assessed if payment is not received on or before the due date.

Electronic check conversion

Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to \$30. Returned checks may be presented electronically. If you want to save time and stamps, sign up for AutoPay at att.com/autopay using your checking account. It's easy, secure, and convenient!

Internet usage allowance

Unless your internet plan includes an unlimited data usage allowance, your total internet usage allowance will consist of your 1.5 terabyte (1.5 TB or 1,536 GB) plan usage allowance plus any additional offers. Exceeding your total internet usage allowance will result in a charge of \$10 for each additional 50 GB of data even if less than 50 GB is consumed up to a maximum overage charge of \$100 a month. Visit att.com/internet-usage to view details of your internet data usage.
